国际学院介绍

About the International School

暨南大学国际学院成立于2001年，它是中国大陆最早面向国内外学生开设全英语授课专业的学院之一。所开专业涉及多门学科，包括一个博士学位专业（中国学），两个硕士学位专业（中国学、生物与医药）以及八个学士学位专业（国际经济与贸易、会计学、金融学、药学、临床医学、食品科学与工程、计算机科学与技术 and 国际新闻与传播）。自成立以来，国际学院已培养来自全球94个国家和地区的学生7000余人（截至2024年3月中旬）。

学院办学理念强调跨学科探究、国际视野、学术研究和对专业领域的贡献。学生的发展，包括知识习得和职业发展是我们工作的核心。为了实现这一目标，我们致力于为学生创造最佳的学习环境，由大学中获得全英语授课资质的优秀教师传业授道，精心指导。这些教师大都具有深厚的国际教育背景或资深专业实践经验。同时，国内教师与世界各地的外籍教师携手打造课程教学团队，充分发挥各自专长，紧密合作，丰富学生不同的学习体验。学生有大量机会参与校级和院级的出国出境交换交流学习项目，拓宽视野。学院积极开展各种职业规划和指导项目，助力学生拥有更好的职业前景。

Founded in 2001, the International School of Jinan University was one of the first schools in mainland China to provide English-medium degree programmes to students from home and abroad. These programmes involve a range of disciplines, one Ph.D. degree (China Studies), two master's degree programmes (China Studies, and Biomedical and Pharmaceutical Sciences) and eight bachelor's degree programmes (International Economics and Trade, Accounting, Finance, Pharmacy, Clinical Medicine, Food science and Engineering, Computer Science and Technology, and International Journalism and Communication). The school has registered more than 7000 students from 94 countries and regions since its establishment (March 2024).

The school's educational philosophy emphasizes interdisciplinary inquiry, international perspective, scholarship and professional contribution. Students' development, in terms of both knowledge acquisition and career advancement, is the core interest of all our work. To achieve this, we work to create the best environment for their study, allowing them to work closely with the university's most outstanding faculty members qualified in English-medium instruction. Faculty members joining the school either have a strong international education background or are seasoned international practitioners, in addition, the local faculty teams up with our global teaching staff, with diverse expertise in many courses, to maximize the learning experience. Students are also encouraged to broaden their horizons via various opportunities throughout the year for exchange or visiting study in different parts of the world. Meanwhile, services and activities assist them with career planning and development, equipping them with better career prospects anywhere in the world.
